

Habitat for Humanity East Bay/Silicon Valley is excited to offer an all-inclusive Premium Playhouse Team Building experience for groups that would like Habitat East Bay/Silicon Valley to plan the full amenities for their team's volunteer day, while increasing their support for our programs and the area we serve!

YOUR BUILD DAY

Builds last about 5 hours, typically from 10am-3pm. We can adjust the timing to cater to your group's needs. Our Premium Builds can take place throughout the year at our Oakland & Milpitas Playhouse Workshops or at a location of your choice!
